## EXPERIENCE:

---

Jun. - Aug. 2021

### Check Point Software Technologies: Design Marketing Intern

- Assisted marketing team with strategies through design by creating breaking news banners, info-graphics and article thumbnails for [www.cybertalk.org](http://www.cybertalk.org) as well as illustrating cybersecurity comics for social media (Facebook & LinkedIn).

Nov. 2019 - Oct. 2021

### Alpha Epsilon Pi Fraternity at Arizona State University: Apparel Chair

- Managing everything that is design/art oriented for the fraternity. Utilized Adobe Illustrator and Procreate to design shirts, tables, banners, Instagram backgrounds, and posters for social events and philanthropies.

Jun. - Sep. 2020

### Jo-anns Fabrics and Crafts Store: Casual Team Member

- Worked directly with customers, operated in a team responsible for restocking shelves, maintaining a clean and organized store environment, utilized the cash register or other point-of-sale systems. Helped with inventory management, such as counting, organizing products, unloading shipments and creating planograms for isles.

Jul. - Sep. 2019

### Mohawk Day Camp: Counselor

- Worked as a team with other counselors to organize activities and games to keep the campers engaged, further developing teamwork skills as well as organization skills. Also learned how to be patient and respectful for those above and below my position.

## EDUCATION:

---

### PENSOLE Academy: L.E.A.D. Footwear Design Track: (Class of 2020)

- Taught by industry leaders how to create design briefs, logos, resumes, presentations, proportionally accurate footwear sketches and orthographic renderings.

### Arizona State University (Herberger Institute of Art and Design):

- Graduating class of 2023
- Bachelors in Industrial Design
- Minoring in Fashion Design
- Obtained design skills and knowledge through projects and classes that focused on the design process and storytelling to prepare for real world applications.
