Experience

State Farm Insurance Company: November 2017-Present   Customer Care Center Rep.

Assist customers by explaining changes to insurance policies and bills in call center environment.
Deescalate and empathize with upset callers and attempt to retain business. Handle post call notes
to State Farm agents quickly and in a concise manner. Interact with customers in professional yet
personable manner. Share information about job role at college student recruiting events.
Serve as leader on employee professional development program.

InMold Solutions: Jun. 25 2021- Aug. 6 2021   Intern: Injection Mold Machine Operator

Manage injection molding machine at fast pace. Inspect each part molded by machine to ensure it meets
quality requested by client. Observe taking apart and reassembling of a customer's custom machined
injection mold. Study and assist in preparing plastic pellets for injection molding.

Jimmy John's: July 2015-June 2017   Sandwich Line Employee

Teach new employees beneficial traits acquired from experience. Assemble sandwiches at fastpace for
in-shop and delivery orders. Assemble sandwiches under pressure during the weekend and daily lunch rush
while at the same time ensuring orders are fulfilled accurately. Handle customer concerns calmly and
patiently. Work as a team to complete food orders and cleaning checklists.
