CAREER OBJECTIVE

Detail-oriented Industrial Design major (3.4 GPA) currently attending Arizona State University, with 1.5+ years of work experience. Aiming to leverage a proven knowledge of product design, prototype, and CAD software skills to successfully fill the Designer role at your company. Frequently praised as hard-working by my peers, I can be relied upon to help your company achieve its goals.

EXPERIENCE

Industrial Design Internship
SolarSpell, Tempe, AZ / August 2021 - December 2021
As the head designer at SolarSpell, I was in charge of designing, CAD modeling, and 3d printing their new solar-powered soil sensor and housing for a new 'mini' version of their digital library unit.

Bartender
Hash Kitchens, Scottsdale, AZ / September 2021 - Present
As a Bartender, I make drinks for the restaurant customers as well as serve drinks and to my bar top customers, occasionally serve customers, restock the bar, clean the bar dishes.

Sales Associate
Tillys, Tempe, AZ / Jul 2019 - September 2021
As a sales associate at Tillys, my responsibilities were to not just only make sales on the floor/help customers, but we also build great relationships with our customers as well. Ensuring that they will continue shopping at our particular Tillys stores.
Cart Attendant/Carry-Out Assist
Sam's Club, Greeley, CO / Jun 2017 - Aug 2017
My responsibility was to continuously replace carts from the parking lot into the store for the customers to use. I also assisted customers if they needed help taking their large items to their cars and placed them in their cars if requested.
