## EDUCATION

### Bachelor's in Industrial Design (May 2022)

Arizona State University  
Tempe, Arizona (2018-May 2022)

## WORK EXPERIENCE

### Lead Industrial Design Intern

The Luminosity Lab - Tempe, AZ  
May 2021 to Present

- Lead/manage the design team in projects by setting up a design pathway for designers to follow, giving the team the ability to succeed.
- Develop solutions for clients such as Starbucks, Children's Hospital, and Kimberly Clark by coordinating with other students and project leads to ensure all design goals are met.
- Fulfill the goals of clients and investors by planning accordingly to meet all required deadlines.
- Incorporate design thinking into every project from start to finish by showing empathy and identifying user needs to ensure that design quality is present.

### Industrial Design Intern

The Luminosity Lab - Tempe, AZ  
March 2020 to May 2021

- Collaborate with other designers, engineers, researchers, architects, etc. to work on a variety of projects and succeed in our tasks.
- Research and brainstorm by sketching, ideating and creating rapid prototypes in specific time frames to come up with new solutions.

### Warehouse Associate

Amazon - Chandler, AZ  
January 2020 to Present

- Set up tote bags for package sorting by executing in a timely manner so that the night crew can start as early as possible.
- Debrief drivers after their routes, by talking with each individually and scanning their badge, to ensure all packages are accounted for.
- Sort packages in a timely manner by coordinating locations easily in order to sort a certain amount of packages before the end of the shift.

## SKILLS

Solidworks	Rhino	Adobe Suite	Laser Cutting	Prototype Finishing
Fusion 360	Sketch Up	3D Printing	Foam Core Models	Design For Manufacturing
OnShape	Keyshot	Foam Modeling	MDF Finishing	Cold Casting/ Mold Making
